

Portreath Primary School

Maple Class

This week we have begun learning our sounds and practising our writing. In Maths we have been sorting, grouping and looking at sets of objects. The Year one's have been working on their handwriting and have been looking at 3D shapes. They also enjoyed their trip to the Hall for Cornwall.

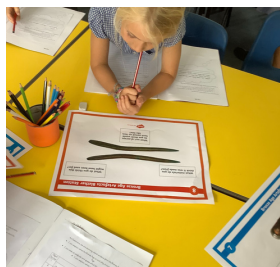

Rowan Class

We have had a brilliant week of learning. We have started to read our class novel of 'George's Marvelous Medicine' and have begun discussing how to create a character profile. We enjoyed starting our science topic and matching the adult with their offspring. We even managed to slot in a yoga session!

Sycamore Class

We have had a super second week in Sycamore Class. We have been busy writing our character descriptions in English and we also learned all about archaeologists in our history lesson. We enjoyed looking at artefacts from the Bronze Age and guessing what they were used for – the children's guesses were pretty spot on! We also, of course, had a fantastic time at the Tin Man and showed excellent behaviour on our first outing as a class.

Primary School

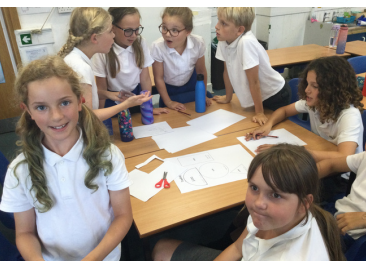

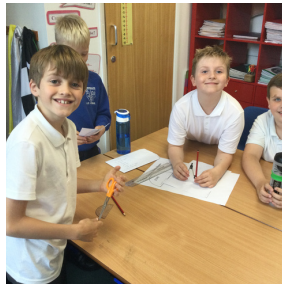

Oak Class

Oak had a brilliant workshop with Natty who was the lion dancer in The Tin Man. They asked her brilliant questions about the show and got to explore the story through creating their own versions. Oak have enjoyed learning about some of the treasures we found last week.

Cherry Class

This week has been a very busy one and a fabulous one for learning. In English we have written some superb descriptions of a scene from our class novel. In science we really enjoyed making, playing with and explaining the science behind periscopes and in geography we played a trading game which taught us how different countries have different resources with which to manufacture and trade goods.

AFTER SCHOOL CLUBS

PLEASE NOTE ALL CLUBS INCLUDING BREAKFAST CLUB MUST NOW BE BOOKED & PAID IN ADVANCE ON PARENT PAY.

Breakfast by 9pm night before and After School Club by midday on the day.
