

# NEWSLETTER

Everyone is so excited about our show next week and all the classes have been busy creating and rehearsing. The whole school is a hive of creativity! We can't wait for you to see it!

Today Simon Hague, our CEO, came to our assembly to present Crofty Community Awards linked to sport. Derek Jose and Katie Tonkin both received them for their dedication in running our football and netball team clubs. Jess Cafe, Abby Barnes and Sarah Jose both received them for their support with promoting physical activity in the early years and beyond and for helping to enable our children to enter sport competitions. Last but not least Ellie, in Cherry Class, received one for running the KS1 football club after school and promoting physical activity for all at lunchtimes. These people have all gone above and beyond to improve the lives of our children. I am grateful for all they have done for our school.

This week we received the Year 6 SATs results. We were delighted with 85% of children in each subject achieving the expected standard which is well above the national results. We are so proud of all the children. They all worked so hard and the progress they all made was fantastic.

I am delighted that we raised £155 for the Air Ambulance last week and this week Cherry Class raised over £300 for Cancer Research with their Enterprise sale. Thank-you for all your support.

Perhaps you were lucky enough to hear Oak and Cherry singing on the radio this morning. Saffy and Neil from Hits Radio came in to interview the children and got them singing. More details in our PE section this week.

Enjoy the football on Sunday!

**Cassie Pamplin**

## CERTIFICATES OF EXCELLENCE

**Maple Class:** Mhairi - For being a superstar during our rehearsals.

**Rowan:** Seb - For a brilliant attitude towards his learning.

**Sycamore Class:** India - For being a happy and hard-working member of Sycamore.

## House Winner this Week is: Farthing Wood

### PE News

#### Hits Radio Visit: Neil and Saffy Promote Cash for Kids Charity

Yesterday, Hits Radio presenters Neil and Saffy, accompanied by members of the Cornish Pirates, visited our school to promote the Cash for Kids Charity. This was the closing session of a 6 week touch rugby programme run by the Cornish Pirates for Oak and Cherry.

The event was a fun-filled afternoon where Neil and Saffy interacted with the children and participated in touch rugby games. To top it off, they led a spirited singing session showing support for England in this weekend's Euro final! It was a fantastic afternoon.

#### More about Cash For Kids

Cash for Kids Cornwall will be helping local sports clubs and groups with a focused fundraising drive again this year and are looking for community sports groups from across Cornwall to take part. This unique fundraising competition from Hits Radio's charity aims to help disadvantaged children and young people get active and involved in sports as due to their circumstances, opportunities can often be limited or non-existent.

Groups will need to fundraise as much as they can during the challenge to try and get a spot on the "winners' podium". All groups will receive back every penny they raise but the top three fundraisers will win top-up grants worth £10,000 in total!

Please spread the word and get involved if you are connected to a sporting group in Cornwall. Don't delay, applications are now open! [Find out more and sign up here](#) by 2nd September or contact [cornwall@cashforkids.org.uk](mailto:cornwall@cashforkids.org.uk).

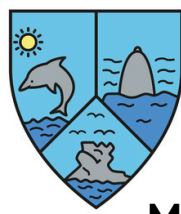

#### Air Ambulance Day

On Friday 5th July all the children came into school wearing red to raise awareness of the charity and all they do. The school and everyone's support have raised £155, thank you to everyone.

## Primary School

### Maple Class

This week we have turned our classroom into a set for the show and rehearsals have been happening daily! The children have learnt the story and are great at organising themselves, so they are in the right place with all their props! We can't wait for you all to see it.

### Rowan Class

This week we have thoroughly enjoyed getting physical and learning routines to match space music. The children have worked so hard to memorise their parts and I'm super proud of them! In English we looked at expanding nouns and in RE we finished off by writing about the 5 pillars of Islam.

### Sycamore Class

This week we have been thinking about the Earth and beyond! We have been completing lots of work on climate change and which modes of transport are good and not-so-good for the environment, as well as ways we can make small changes to help the planet. Clara felt so inspired that she created an outstanding presentation about climate change and shared it with the class. We also have been thinking about SPACE and getting ready for our performance, creating decorations for the classroom and rehearsing. We can't wait!

## Primary School

### Oak Class

It was sustainability week in Oak this week and our focus was on 'Clean and affordable energy'. We started off the week with a quite moving PSHE lesson, where we looked at images of how non-renewable energy affects the environment. In groups, they then researched 4 types of renewable energy before compiling a rap! We've also been practising for our whole school show – we can't wait to show you!

### Cherry Class

Our week started with a flurry of activity and excitement when we hosted our enterprise business sale. Amazingly, we raised a grand total of £336.41 profit which will all go to Cancer Research. Much of the rest of the week has been spent in writing, creating, making and rehearsing for our space show ... it's going to be out of this world!

#### AFTER SCHOOL CLUBS

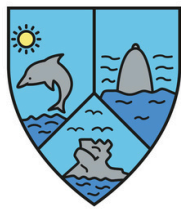

PLEASE NOTE ALL CLUBS INCLUDING BREAKFAST CLUB MUST NOW BE BOOKED & PAID IN ADVANCE ON PARENT PAY.
