Happy end of term everyone! What an incredible year it has been! I am so proud of all the staff and children.

Everyone has worked so hard and achieved so much. We had a wonderful leavers' assembly yesterday and they had so much fun at their disco. Thanks to Miss Cafe, Mrs Doble and Ms Frazer for organising the party and to Marcus for the photo booth. They have been brilliant Year 6s and I am really going to miss them. The pupil leadership team have been great at helping to lead the school. The new pupil leadership team has been chosen for next year.

Yesterday we had an assembly in which we enjoyed watching a slideshow of Colour Run photos. We watched Volodymyr's video all about the Ukraine-such a moving film. It shows the Ukraine before the war and where he lived-such a beautiful country. It then shows the devastation the war has caused. It ends with his new life here in the UK.

We said goodbye to the very special Miss Rundle. We are excited for her, off on her new adventure, but we are sad for our loss. We enjoyed looking at some photos of outdoor learning and her trip to the Houses of Parliament to celebrate. Mrs Jones also announced the winner of the science homework project this term-well done to Harvey for his fabulous booklet about Tim Peake. Mrs Doble announced that every class managed to complete enough steps to get them to Paris ready for the Olympics. We look forward to watching Molly Caudery, from Illogan, in her pole vaulting event.

Today's assembly focused on the 5 ways to wellbeing ready for the children to think about over the summer. I am sending home a digital booklet to support this on Dojo. We also watched one of our favourite clips about a pig who never gives up - Ormie which made us all laugh! Don't forget to complete the summer challenge and send in a picture of your child being curious, creative or courageous.

We finished off the term with an icecream treat! Thanks to Harvey and Flo's parents for providing everyone in the school with an icecream! Have a fabulous summer and see you on Wednesday 4th September.

Safeguarding/Health and Safety

Over the summer staff will not be replying to emails and they will only be checked periodically. If you have any safeguarding concerns please contact MARU direct on 03001231116 and speak with a social worker.

I thought the following phone numbers and organisations might be of use, should you suspect a child is at risk of any form of harm, or if indeed you need any support yourself. These organisations are specifically set up to help families and anonymity is always respected.

Family information services: [Some helpful links linked to safeguarding and online safety:](#)

[The UK Safer Internet Centre, where you can find online safety tips, advice and resources to help children and young people stay safe online.](#)

[ThinkuKnow – advice for Parents on internet safety](#) [Childnet International – all the information you need to keep your child safe online.](#) [Internet matters – supporting families online.](#) www.gov.uk/government/publications/the-use-of-social-media-for-online-radicalisation This service provides a whole host of useful local links such as childcare, financial advice and leisure facilities. The Early Help Hub - 01872 322277: This service covers pretty much everything from parental support to mental health issues. Usually a good 'first point of call' to make.

MARU (Multi agency referral unit) 0300 1231 116: This service is more specific to child safety. If you suspect a child is being subject to or has the potential to any harm then call these people. They offer and provide a very reassuring service and will usually involve other agencies (Police, Schools, Social Services) where necessary. 911 or 999: It might sound obvious, but if you know or suspect a child is in danger – do not hesitate to call the police.

National Domestic Violence Helpline: 0800 2000 247

As the DSL, I will check my emails regularly for any safeguarding concerns over the holiday and attend any social services meetings. We will be 'back on duty' from September 4th 2023 and will of course be on hand to help you with any safeguarding concerns that may have arisen. But I urge you to use the above information if you are in any doubt over the summer holidays. Children can also call Childline on 0800111.
