Happy end of term everyone! What an incredible year it has been! I am so proud of all the staff and children. Everyone has worked so hard and achieved so much. The year has been full of so much brilliant learning. The children have shown us how creative, curious and courageous they are! Everyone has grown and made a difference. The children have been involved in so many enrichment activities. Thanks to the staff for all the organisation with this and especially to Miss Hawkins who supports all the arrangements. Thanks to Aequorea for their financial support, particularly with transport. This has enabled us to go on many trips. We are also looking forward to attending Aladdin at Christmas!

We had a wonderful leavers' assembly yesterday and I know they are looking forward to fun at the beach later. The Year 6s have been amazing and I am really going to miss them. Today we sadly said goodbye to the very special Miss Baseley. She has brought so much to the school over the last 3 years. She is loved by children, staff and parents and I know that we are all going to really miss her. We are excited for her, off on her new adventure at Kennall Vale School, but we are sad for our loss! Yesterday Mrs Harry, our new Year 2 teacher, visited the school to meet her new class. She cannot wait to start in September!

Don't forget to complete the summer challenge. We look forward to receiving your children's decorated quarter of a circle that we will put together to create a whole school collage.

We finished off the term with an ice cream treat! Thanks to Harvey and Florence's parents for providing everyone in the school with an ice cream! Have a fabulous summer and see you on Thursday 4th September.

Thanks for all my wonderful presents and cards, and Lyra's: we feel very spoiled!

**Cassie Pamplin**

## **Safeguarding/Health and Safety**

Over the summer staff will not be replying to emails and they will only be checked periodically for safeguarding information. If you have any safeguarding concerns please contact MARU direct on 03001231116 and speak with a social worker.

I thought the following phone numbers and organisations might be of use, should you suspect a child is at risk of any form of harm, or if indeed you need any support yourself. These organisations are specifically set up to help families and anonymity is always respected.

Family information services: [Some helpful links linked to safeguarding and online safety:](#)

[The UK Safer Internet Centre, where you can find online safety tips, advice and resources to help children and young people stay safe online.](#)

[ThinkuKnow – advice for Parents on internet safety](#) [Childnet International – all the information you need to keep your child safe online.](#) [Internet matters – supporting families online.](#) [www.gov.uk/government/publications/the-use-of-social-media-for-online-radicalisation](http://www.gov.uk/government/publications/the-use-of-social-media-for-online-radicalisation)

This service provides a whole host of useful local links such as childcare, financial advice and leisure facilities. The Early Help Hub - 01872 322277: This service covers pretty much everything from parental support to mental health issues. Usually a good 'first point of call' to make.

MARU (Multi agency referral unit) 0300 1231 116: This service is more specific to child safety. If you suspect a child is being subject to or has the potential to any harm then call these people. They offer and provide a very reassuring service and will usually involve other agencies (Police, Schools, Social Services) where necessary. 911 or 999: It might seem obvious, but if you know or suspect a child is in danger – do not hesitate to call the police.

National Domestic Violence Helpline: 0800 2000 247

As the DSL, I will check my emails regularly for any safeguarding concerns over the holiday and attend any social services meetings. We will be 'back on duty' from September 4th 2025 and will of course be on hand to help you with any safeguarding concerns that may have arisen. But I urge you to use the above information if you are in any doubt over the summer holidays. Children can also call Childline on 0800111.

# Whole School Show

## Lyra Puppy Certificate

Last week Lyra had her assessment at Cornwall Dog Training Club and passed! I was very proud of her. She has loved spending time with the other dogs and will be continuing dog training classes with the club.

## Music Assembly

Sara Scott, a music teacher, visited us last week. She played the children a variety of instruments in an assembly. She is going to be able to offer music lessons at Portreath School from September through Cornwall Music Service. She can offer lessons including violin, trumpet, flute, clarinet, saxophone and ukulele. For more details go to: [see Dojo](#)

## Netball Match

On Thursday we held our annual Year 6 versus staff netball match. Everyone played extremely well and the final score was 8 all. Thanks to Mrs Jones and Mrs Whitford who have been training the club this year.

## Sports News

Well done to Esme, Sienna, Reina, India, Millie and Layla for performing at the Hall For Cornwall on Sunday in the Jason Thomas summer show-ballet, tap and modern dance.

## Mrs Harry

Mrs Harry will be the new Sycamore (Year 2) class teacher in September.

### Rowan's trip to St. Ives by Train

On Friday Rowan class went to St. Ives on the train (just like Victorians would). They visited the harbour and pier. They had a tea treat on the beach and had fun at the arcade.

### Other Beach Trips

Thank you  
Harvey &  
Florence's  
parents for the  
ice cream.
