Safeguarding/Health and Safety

Over the summer staff will not be replying to emails and they will only be checked periodically for safeguarding information. If you have any safeguarding concerns please contact MARU direct on 03001231116 and speak with a social worker.

I thought the following phone numbers and organisations might be of use, should you suspect a child is at risk of any form of harm, or if indeed you need any support yourself. These organisations are specifically set up to help families and anonymity is always respected.

322277: This service covers pretty much everything from parental support to mental health issues.

Usually a good 'first point of call' to make.

MARU (Multi agency referral unit) 0300 1231 116: This service is more specific to child safety. If you suspect a child is being subject to or has the potential to any harm then call these people. They offer and provide a very reassuring service and will usually involve other agencies (Police, Schools, Social Services) where necessary. 911 or 999: It might

seem obvious, but if you know or suspect a child is in danger – do not hesitate to call the police.

Message from Mrs Carr

As we reach the end of another busy and successful school year, I would like to wish our wonderful Year 6 children the very best of luck as they prepare for the next exciting chapter of their journey.

Yesterday, we held their Leavers' Assembly, and it was lovely to welcome so many parents and family members to join us in celebrating the children and all they have achieved during their time at Portreath School.

Congratulations to all of our Year 6 children, with special congratulations to Eva, who received the Attainment Award; Isla E, who received the Progress Award; Lowen, who received the Sports Achievement Award; and Frankie, who received the Growth Mindset Award. Well done to Beth, who was also presented with the Crofty Award for Sport. A particularly special well done must go to Arlo, who received the Fred Harris Award from the Redruth Charity Trust in recognition of his contribution to the school and wider community. This is a wonderful achievement, and we are incredibly proud of him.

The celebrations continued today, with the teachers claiming victory in the end-of-year Teachers versus Year 6 rounders competition – congratulations to the Teachers!

In our final assembly, we also said goodbye to Mr Putnam, Mrs Seary and Mr McCarthy. Each of them has made a huge contribution to our school community, and they will be greatly missed. We thank them for everything they have done for the children, families and staff at Portreath and wish them every success and happiness for the future.

Congratulations to Jacob for winning the Crofty World Cup competition for his design creation of his own hand holding a football.

A huge thank you must also go to Harvey and Florence's family at North Cliff Dairy for providing an amazing ice cream treat for everyone on our final day of school. It was the perfect way to end the term and was very much enjoyed by us all!

Finally, I would like to thank everyone once again for making me feel so welcome since joining Portreath School. I have had a brilliant first term and feel incredibly fortunate to be part of such a warm and supportive school community. Thank you to our dedicated staff team for all their hard work, care and commitment throughout the year, and to our children and families for their continued support. I hope you all have a wonderful, restful and sun-filled summer holiday. We look forward to welcoming everyone back on Thursday 3rd September.
